# THE SMART CHOICE FOR BULK LIQUID LOGISTICS

**TANDHAN**  
FLEXITANK

**From the East to the World crafting Global Legacies since 1994.**

In the heart of eastern India, Tandhan began in 1994, not merely as a business entity but as a vision. That vision, today, has expanded beyond borders, cultures, and sectors, metamorphosing into a global conglomerate recognized in over 25 countries. Anchored in tradition and propelled by global aspirations, we're not only building businesses; we're sculpting the future, with our workforce of 800-1000 employees pushing us forward.

The TANDHAN Flexitank stands as a pinnacle in liquid packaging – a single-trip, multilayer, environmentally friendly, disposable, and recyclable system. Meticulously crafted with the finest raw materials, it embodies reliability, flexibility, and excellence.

TANDHAN Flexitank stands out in diverse industries, providing a packaging strategy that harmoniously integrates versatility and reliability. It is specifically designed for the secure storage and transportation of non-hazardous liquid materials in bulk quantities.

Technologically Advanced, Neatly Developed, High Agility for your Needs

## Key Features

### Superior Flexibility

- ◆ Accommodates a broad array of non-hazardous liquid products from sectors like oil & gas, chemicals, food and beverage, and pharmaceuticals.
- ◆ Available in capacities ranging from 16KL to 24KL with options for two valves or a single valve, and an automatic pressure release system to optimize space usage in a 20ft dry container.
- ◆ Facilitates easy and time-saving loading and unloading, making it an efficient choice for liquid transportation.

#### ***Elevating secure and dependable Liquid Packaging Solutions:***

- ◆ Engineered for Excellence in Reliability, Safety, Durability, Cost-Effectiveness.
- ◆ Enhancing Efficiency for a Seamless and Reliable Supply Chain.

#### ***Eco-friendly Design:***

Incorporates environmentally conscious materials for sustainable packaging, aligning with global environmental goals.

#### ***Customizable Solutions:***

- ◆ Tailored to meet the distinctive requirements of your liquid packaging needs, providing an efficient solution.
- ◆ With our state-of-the-art infrastructure and network, we ease your operation.

Flexitank Sizes	Loading Tolerance	Max. Payload
16,000 litres	15,520–16,480 litres	24,000kg
18,000 litres	17,460–18,540 litres	24,000kg
20,000 litres	19,400–20,600 litres	24,000kg
22,000 litres	21,340–22,660 litres	24,000kg
24,000 litres	23,280–24,000 litres	24,000kg
26,000 litres	25,220–26,000 litres	24,000kg

#### ***Flexitank Options – Available for All Types & Sizes***

- ◆ Flexitank with automatic air venting system
- ◆ Flexitank with Heater Pad
- ◆ Flexitank with PE bin
- ◆ Flexitank with Oxygen Barrier film
- ◆ Flexitank with heat resistant material

# Industries we cater to

Food & Beverage Industries

Bulk Liquid Transport & Logistics Industries

Agriculture Industries

Petrochemical & Lubricant Industries

Cosmetics & Personal Care Industries

Chemical Industries
